

The Road To **TRANSITION**

Graduation marks the culmination of years of hard work, dedication, countless hours of homework, and many sleepless nights. The collegiates of Delta Sigma Theta Sorority, Inc. are faced with responsibilities that transcend the traditional college experience. While balancing school, work, social activities, and Delta responsibilities, wrapping up school year can be overwhelming and may leave little time to think about transitioning into an alumnae chapter.

CTT has put together these **transition steps** to ease that worry.

FALL GRADUATES

June

Narrow post graduate plans

July- August

Finalize possible post graduate cites and being research alumnae chapters in each area

October

Make contact with prospective chapters and obtain meeting information, programming, dues, and chapter demo graphics. Sit in on a chapter meeting if possible.

November

Prepare for final exams and graduation

December

Congrats you graduated! Make a final decision of which alumnae chapter to attend and work with your collegiate advisors to transfer your dues, if applicable.

January

Become full engaged/integrated in your new chapter!

SPRING GRADUATES

November

Narrow post graduate plans

December-January

Finalize possible post graduate cites and being research alumnae chapters in each area
